

**BRINGING
BEAUTY
TO
LIFE**

A MASTERPIECE BY:

DELÍFLOR

AMÉRICAS

WELCOME

Beauty is in the eye of the beholder they say, but have you ever wondered what goes on beyond the beauty you give flowers to someone?

At Deliflor we bring beauty to life. It all starts here, where we carefully select a new variety, we search different colors, shapes and sizes of chrysanthemums and above all, quality in all assets: from growing conditions for vase life.

Together with our growers and with help of wholesalers and retailers we make sure that a few billion stems reach consumers all over the world each year, so they can share the joy our chrysanthemums bring.

Dicen que la belleza esta en el ojo del espectador, pero te haz preguntado que va mas alla de esa belleza antes de regalarle flores a alguien?

En Deliflor le damos vida a la belleza. Todo comienza aqui, donde cuidadosamente seleccionamos una nueva variedad, buscamos diferentes colores, formas y tamanos de crisantemos pero sobre todo calidad: desde el crecimiento hasta las condiciones de vida en florero.

Junto con nuestros productores y la ayuda de mayoristas y minoristas nos aseguramos que unos cuantos billones de tallos lleguen a consumidores en todo el mundo, para que puedan disfrutar de la alegria que llevan nuestros crisantemos.
